

A Message from the Principal

Assalamu 'alaikum warahmatullahi wabarakatuh

Welcome to the College of Information Management and Computer, STMIK AMIKOM, Yogyakarta, Indonesia. STMIK AMIKOM Yogyakarta is one of the largest and most respected computer colleges in Indonesia. STMIK AMIKOM Yogyakarta has been committed to excellence in scholarship, research and service.

AMIKOM Strategic Business Unit is a hub for entrepreneurial activities at STMIK AMIKOM. It is the center's mission to lead the global advancement of entrepreneurship education and practice through the development of teaching, research, and outreach initiatives, which inspire entrepreneurial thinking, and which cultivate entrepreneurial leadership in all organizations and societies.

The heart of STMIK AMIKOM's success resides in our dedicated staff members, robust student bodies, and outstanding faculty members, including distinguished scientists, engineers, entrepreneurs, social scientists, artists, and film makers. The quality, the breadth, and the depth of this College's intellectual resources create a remarkable community of scholars—from our national leadership in the computer sciences, engineering and business to our community's robust cultural offerings. This is the uniqueness of AMIKOM!

From its highly regarded undergraduates, graduates, and professional schools to its wide-ranging program of interdisciplinary research and scholarship, STMIK AMIKOM Yogyakarta takes pride in being a place where students and faculty can pursue knowledge without boundaries, and a place where theory and practice combine to produce a better understanding of our world and ourselves.

We invite you to explore this greatest college in Indonesia and take advantage of all it has to offer.

Wassalamu 'alaikum warahmatullahi wabarakatuh
